

St. PETROC PREMIER SCHOOL

CHARACTER | ATTITUDE | EXCELLENCE

P.O BOX 208-60103 Runyenjes. info@st-petroc.org. 0704 004 004

SCHOOL PROFILE

St Petroc Premier School is a Christian boarding school offering the 8-4-4 curriculum, we have strong commitment to academic excellence and a high level of discipline. Children are accepted from those joining class kindergarten all through to class 8.

St Petroc Premier School is not just an academic school; there is a strong emphasis on the moral and spiritually development of the child. Every day begins with a devotion time either within a tutor group or in a collective school assembly. Every pupil follows a course in Christian Religious Education and is encouraged to follow the principles that God has laid down for us.

VISION

To be leading center of Excellence in Kenya and the East African Community.

MISSION

To develop an all-round learner with a strong CHARACTER, a positive ATTITUDE for EXCELLENCE. This we do by combining sound intellectual, spiritual, social and moral physical growth grounded in a firm Christian Foundation.

CORE VALUES

- ❖ Building strength out of the diversity of our staff and pupils by creating relationships based on Christian Foundation
- ❖ Creating a school culture that promote **Honesty and integrity**.
- ❖ Creating a **conducive learning environment** rich in compassion, love, care and respect for each other irrespective of relation, race, nationality or gender.
- ❖ Providing opportunity for every pupil to learn skills necessary to achieve **personal excellence**.
- ❖ Producing lifelong learners who are independent thinkers, level headed leaders, confident and good communicator, open-minded, balances in thought, reflective, risks takers and democratic.
- ❖ Stimulating interest in and **care for the environments**.
- ❖ Maintaining **regular and open communication** with parents.

PASTORAL PROGRAM

Daily Devotions, School Assemblies, Prayer Week and chaplaincy.

COMPUTING/ICT

Enhance children's learning throughout the curriculum. Key ICT skills enable them to fully use technology in all aspects of their learning. They have experience of control, word processing, problem solving, communicating, finding information and data handling. We are extremely well resourced at SPS with an exciting new ICT lab, access to iPad, specialist ICT teacher who "team teaches" with our class teachers from nursery through class 8.

SPORTS

During their school life children will be a variety of physical activities such as games, gymnastics activities, athletics, dance and swimming. Physical education develops children's physical skills and broadens qualities such as self-confidence, self-worth and respect for one another. The school is involved with sports Development program, which has enabled us to develop Volleyball, Basketball, Dodge ball, Table football, Lawn Tennis, Swimming, Badminton, Skating, Shotokan and other indoor games.

LIFE SKILLS

This is a two hours program on Saturdays and Sundays which includes: cookery, gardening, personal hygiene; ironing, polishing of shoes, making of Beds etc. At SPS everyone is expected to listen to listen and respect the thoughts and beliefs of others. They are encouraged to develop a sense of morality and know the difference between right and wrong.

LIBRARY

Our well stocked library offers a wide range of fiction and nonfiction books, daily newspaper, periodicals, current journals, education reports and audio visual aids. Reading and research are key elements that St. Petroc fosters developing and inquiring mind in our students.
